

At Kesslers Diamonds, our people love what they do, and they love what they can do for our clients. If you are interested in joining our team, we want to hear from you.

We are 100% Employee Owned! Kesslers Diamonds prides itself on having a terrific work environment that revolves around mutual respect, teamwork, and a passion for customer service. This philosophy, coupled with a fun and family-like atmosphere, and a culture that promotes a healthy, fulfilling work/life balance all makes Kesslers Diamonds a great place to work. If you love collaborating with people and going the “extra mile” to help the customer, we want to talk with you!

We are hiring Goldsmiths – Wisconsin and Michigan Employment Opportunities

Position Summary:

The Goldsmith position completes and trains others with basic to advanced level karat-gold, sterling silver, and platinum repairs. Demonstrates proficiency in professional hand-fabrication, assembly work, and advanced stone setting. Practices and develops learned techniques to improve skill and increase quality of work.

Responsibilities:

- Examines jewelry for restrictions in design and gemstone limitations; proceeds with repairs using all precautions necessary to complete work.
- Performs miscellaneous basic, intermediate, and advanced-level repairs on karat-gold, sterling silver and platinum jewelry, including full channel re-build, hand fabricated heads, high-risk sizing and setting, difficult and higher risk levels of prong work, etc. without assistance.
- Performs prong, bezel and bead setting on all sizes and shapes of diamonds/gemstones.
- Performs all types of re-tipping and re-pronging assignments in karat gold and sterling silver, and platinum.
- Sizes all types of karats and non-karat gold, sterling silver, platinum jewelry.
- Applies knowledge of the different types of metal, diamonds, and gemstones.
- Trains other jewelers with basic and intermediate-level skill development in karat gold, sterling silver and platinum.
- Applies all types of surface finishes.
- Organizes jobs according to due dates and maintains a clean work area.
- Follows chemical and equipment safety procedures: MSDS, lockout/tagout, etc.
- Assists with checking and cleaning customer jewelry.

Job Functions:

- Ability to work assigned schedule on regular basis.
- Ability to communicate with customers, co-workers, and business contacts in courteous and professional manner.
- Ability to see well enough to read small print, with aid of minor magnification size rings, set stones, re-tip prongs, detect unevenness in shanks and prongs, check quality of work on small parts or entire pieces of jewelry items, and read computer screens.
- Ability to hear and speak well enough to converse with others in person or by telephone.

- Ability to move about the store, get behind narrow counter areas, and bend down or reach up into drawers/shelves.
- Ability to hold on to and use all jewelers' tools, handle small jewelry/gift items while repairing
- Ability to bend over and pick up dropped materials.
- Stamina to sit and stand for eight hours, focus on small, detailed work, tolerate the constant noise of machinery and tools and to work in a semi-dusty work environment.
- Strength to push and exert pressure while using various jewelers' tools.
- Ability to work with exposure to chemicals, low-voltage plating equipment, flammable materials, and fast-moving machinery.
- Ability to use a laser and work with a scope on the bench is a plus.

Qualifications:

- Minimum High School or equivalent
- Minimum of at least 5 years bench skills
- Ability to teach and train to a scheduled process
- Advanced in the following:
 - Torch skill set
 - Stone setting process
 - Finishing process
 - Fundamentals of goldsmith
 - Polishing process
- An attitude and commitment to being an active participant of our employee-owned culture
- Someone who wants to have *fun* every day!

Build your career with a company that thrives on an outstanding customer experience, is continuously training and making a difference in our clients' and employee-owners' lives.
